

STOGURSEY PARISH ALLOTMENTS

At the moment it is still permitted to visit your plot, to take daily exercise on your own or with members of your household, however it is vitally important that you follow all the advice about social distancing and hygiene in the points below and not gather together on site.

Any plot-holder who is self-isolating because a household member is ill with corona-virus should not be visiting the site. Careful consideration should be given anyone over 70, those with underlying illness or pregnant women.

Anyone attending the allotment should take care to stay the appropriate distance from others, avoid body contact and wash hands at taps, do not wash hands or use detergents in the water-tanks.

No un-authorized people are allowed onto the plots for the duration of this emergency

We are living through a crisis, the likes of which none of us has experienced before, not since war time has the community spirit that exists on allotment sites been more important. Please remember to look out for one another during these very difficult times.

Members should take the following precautionary measures:

- Keep hand sanitiser in your pockets and wash your hands regularly
- Use hand sanitiser before opening and closing any gate locks
- Observe "Social Distancing" with each other 2-3 metres. DO NOT gather together for a chat even if you are 2 metres apart
- If you take your children to the plot, ensure that they stay within its confines and do not run around on communal paths and spaces.
- Do not share tools
- Minimise the contact with each other for example no handshakes
- Do not wash your hands in water troughs
- Stay away from vulnerable individuals such as the elderly and those with underlying health conditions as much as possible
- If you display any symptoms of coronavirus stay at home and self-isolate for at least 14 days or until symptoms have passed.
