

UPCOMING SCHEDULED WORKS ON BEHALF OF OPENREACH

What Works are Taking Place?

We are working on behalf of Openreach in order to install new fibre cabling to the local community. In order to safely access BT equipment, we will require a road closure from Tower Hill, along High Street and onto Church Street.

When Will these Works Start?

The road will be closed from 03/03/21 – 09/03/21 from 0930-1530 hours weekdays only. The road will be fully reopened outside of these times and access will be maintained for residents; however, there may be a short delay.

How Will Traffic Be Diverted?

Please refer to the CAD drawing below which shows the diversion route planned for these works.
