September 2025

Deadline for **OCTOBER 2025** contributions: 10.00am Monday 15th SEPTEMBER 2025

Editorial

Welcome to our September edition.

There is plenty of feedback from the very successful Flower Show. It was full of produce despite a lack of rain during the previous months. Well done for your efforts.

You may fancy some light relief and a laugh, so note the 'Comedy at the Victory Hall' night later in the month.

There is an interesting sounding talk on Eels and a recovery project to be given courtesy of the Quantock u3a group.

Do you want to take part in the Stogursey Arts Festival this year? There are many ways you can do this. See inside.

Have you always wanted an allotment and like to grow your own produce? There is an opportunity inside. You may even end up winning a prize in next year's Flower Show!

You will notice that our magazine has a page from Fiddington included. This will be a regular addition from this month.

Hinkley Point News continues to provide amazing statistics. Well done to the catering staff! See 15,000,000 meals . . .

We wish you school pupils a safe and happy start to the new academic year, and our best wishes to you all.

Stogursey Flower Show 2025

This year's show proved to be very successful. Despite a very dry and hot start to the growing season, our green-fingered gardeners managed to produce a wonderful display of vegetables, flowers and plants; the homecraft section was very well supported displaying plenty of delicious cakes, scones, biscuits, jams, and many more homemade treats; and there were some wonderful exhibits in the handicraft section showing us what talented parishioners we have within our community. In the children's sections, there were some outstanding and imaginative exhibits.

It was particularly encouraging to see so many first-time exhibitors taking part, from people who have lived in the village for years, to people who only moved to the village a few days before the show.

Thank you to all the exhibitors who put time and energy into producing and bringing their exhibits to the show, and a big thank you to the judges for giving us their time and expertise on the day. We wish to thank the team of volunteers who gave so much of their time in organizing the administration side of the show, such as producing the schedules, entry forms, prize certificates, plus recording the points awarded to the exhibitors: thank you Teresa, Kate, Fiona, Jane and Ian.

Thank you also to Denise and Sheila for their hard work serving refreshments from the kitchen during the day; thank you Lisa for running the cake stall, and Shey for serving drinks from the bar. A big thank you to Stogursey Strummers who entertained us with music and songs, they were brilliant.

We would like to take this opportunity to thank Stogursey Parish Council for its kind grant of £400.00 to help with the cost of running our annual flower show, and our final thanks must go to all those who kindly gave cakes and raffle prizes, and to everyone who came along to the show helping to make it such a wonderful and successful day.

Make a note in your diaries! Next year's Flower Show will be on **Saturday 18th July**.

Points from the Parish Council Meeting of 12th August 2025

Would you like to join our ever-growing number of allotment holders?

Stogursey Parish Council's latest project is to help restore our village allotments to their former glory. With the help of our contractor, we have begun a steady process of clearing rubbish, old tools and equipment left behind by earlier holders, on disused plots. This has been a mammoth task. To date two large skips have been filled with more to follow! The plots are being cleared and covered with a membrane, ready for when a new plot is allocated.

To register your interest, please contact Ann,

Are you interested in attending a Defibrillator and CPR awareness training session?

Stogursey Parish Council is currently consulting with South Western Ambulance Service, to organise Defibrillator and CPR awareness training sessions to run in October. These sessions have proved extremely popular in the past so you will need to register your interest. The training sessions will be held during the day and early evening. As soon as the dates/locations are agreed we will publish on Stogursey Online and local notice boards.

OOPs.... Speed Indicator Device (SID) demise at Clayland's Corner

This unit was demolished, by a car, within 24 hours of it being erected. The good news is that it was agreed at the meeting to be replaced. Another post erected at the same time on the Hinkley road, in readiness for another device to be installed, has mysteriously disappeared. It was removed, including the concrete base, from its site. Does anyone know anything about this or did they see it being removed? Please let the Clerk know.

Planning

Since the last SPC meeting three planning applications have been approved.

News from Somerset County Councillor

Councillor Hugh Davies informed the Parish Council meeting about its blueprint for the Local Transport Plan (LTP). This sets out how the Council will plan and prioritise transport provision across Somerset for the next 20 years. Key aims include promoting walking, cycling, and public transport, ensuring new developments prioritise sustainable transport.

Somerset Council would like to hear your views on the LTP, and you can have your say here:

<https://somersetcouncil.citizenspace.com/active-travel/copy-of-local-transport-plan-2025>

The consultation process runs until 7th September 2025.

Development of proposals for a new Hinkley Point C campus to ease pressure on local housing.

The new campus, proposed to be located near Huntworth, Junction 24 of the M5 Motorway. The new accommodation provision will be in addition to 2,500 rooms provided by the project's existing campuses and 4,000 extra bedspaces created in the local private housing stock through the Hinkley Housing Fund.

Around 12,000 people are currently working on the construction site, with a further 3,000 expected over the next year as the power station's fit-out phase accelerates.

Date of the next parish Council Meeting:

Tuesday October 14th, 7pm, Stogursey Victory Village Hall. All are welcome.

Ann Corrigan, Clerk to the Parish Council,

Art in the Waiting Room

We have been very lucky to have local artist Alison Jacobs' colourful work in our waiting room. It is great having such large, colourful, vibrant pieces up on the walls to help distract and create conversations whilst people are waiting patiently for their appointments. To see more of Alison's work, do visit her studio at East Quay Watchet, or online at <https://alisonjacobs.art>

Café Dates:

FORGET-ME-NOT NEWS

In August we enjoyed a visit from the Children's Holiday Club, the theme was 'Beautiful World.' The children iced biscuits for us, then sang a song and everyone joined in. We all did a quiz and were very impressed by the children's knowledge of the world.

FORGET-ME-NOT CAFÉS provide support, companionship and a warm welcome to those who are recognising issues with their memory, as well as their family, friends or carers.

There are a variety of activities, some involving existing local groups, such as music, singing, arts, crafts, poetry, bingo, quizzes, or just a quiet chat over a coffee. We are a voluntary group, financed by donations and fundraising events. The Café runs fortnightly, planned so that the café is open the alternate week to Watchet Forget-me-Not Café.

VOLUNTEERING

We have a lovely group of friendly volunteers, but we always need extra help. Why not pop in one Wednesday for a cuppa and say hello and see if you'd like to volunteer.

Pluggedin Parish News

A round up of the latest news from Hinkley Point C

Inside the Turbine Halls : Progress Update

Both Turbine Halls are making strong progress, with Unit 1 completing the Stator installation and preparing for major equipment lifts, while Unit 2 nears completion of its lower-level steelwork.

Across both units, recent heavy lifts, installation of key safety systems, and significant structural upgrades are keeping the project firmly on track for the next stage of delivery.

First Control Cabinets Arrive

The first Instrument and Control (I&C) cabinets have arrived on site and are now being installed!

These cabinets are like the nervous system of the power station. They'll help send important data to the Reactor Operators, making sure everything runs safely and smoothly once the station is up and running.

The first seven cabinets are being set up on Level 5 of Unit 1's Electrical Building, with many more to come. In total, there will be hundreds of these cabinets across the site, all playing a key role in controlling the reactors. This marks a major achievement and shows real progress for the MEH (Mechanical, Electrical, and HVAC) programme.

Family Day

Each year, Hinkley Point C workers have the opportunity to invite their loved ones to the construction site for a 'Family Day'.

Many local families got to see the project up close and learn more about Hinkley Point C through short tours and expert talks.

15,000,000 meals served

Somerset Larder have announced they've served the 15-million meal at Hinkley Point C last month. Last year alone, the project's catering provider, served up a staggering half a million bacon butties, using locally sourced ingredients, with meat and dairy supplied by more than 60 regional farms.
